# Sporting & Live Events

From golf and tennis tournaments to large equestrian events and world-famous music festivals, TentLogix has the inventory and expertise to customize a live-event solution to your exact needs.

With over 22 years in the special event industry, we have developed strict planning and quality control procedures that allow us to accommodate some of the largest and most complex installations imaginable!

**In 2015, TentLogix tripled the number of professional golf tournaments we supported – from 3 tournaments to 14 in one year. Here are a few reasons why...**

**TentLogix has committed to quality, growth and innovation by spending \$6 million on new and custom inventory over the last 3 years.**

**Each job goes through 4 formal reviews by management and 2 quality control processes before delivery or installation.**

**We maintain \$20 Million worth of umbrella insurance – four times the industry requirement.**

# Long Term Venues

Our experts, averaging 15 years of experience in the event industry, have developed turn-key solutions that remove the guesswork from implementing long-term structure rentals for a variety of applications suitable to the hospitality industry.

Our long-term rentals provide the extra space that you need, when you need it, preventing lost revenue due to downtime, and the long-term impact of negative customer feedback.

**In the past 3 years TentLogix has provided over 400,000 sq. ft. of solutions in the long term rental market. Here are a few reasons why...**

- ✓ Our project and sales managers have an average of 15 years industry experience and have overseen and personally managed 500+ events each.
- ✓ Our in-house permitting experience has shortened the permitting process 50%, and results in first-time permit approval over 95% of the time.
- ✓ In the past 5 years, less than 1% of our customers have been delayed due to a permitting issue.

# Tents & Specialty Structures

For the past 22 years, TentLogix has continually pioneered awe-inspiring advancements in custom tenting and flooring for private affairs, world-renowned art festivals and some of today's largest corporate trade shows.

From elegant backyard weddings to sprawling PGA™ Tournament installations, our experts define the cutting edge of tenting solutions.

# European Arcum™ Structures

Arcum Structures offer a fresh new look for discerning clients interested in an elegant and unique tenting solution for their event.

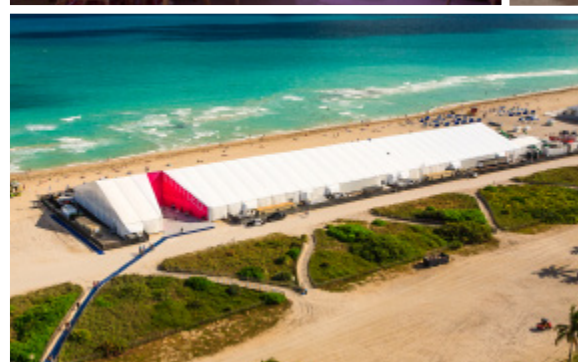

This unique structure, available in single and double decker models, can be configured with glass walls, hard walls, and glass doors on both levels. With options for interior and exterior balconies, stairs, and a variety of other enhancements, the Arcum Structure creates a custom, functional, and versatile event venue.

# European Clear Span™ Structures

With completely unobstructed interior space up to 164 feet in width and unlimited length, TentLogix's European Clear Span Structures provide an unparalleled tenting solution for events of unlimited scale.

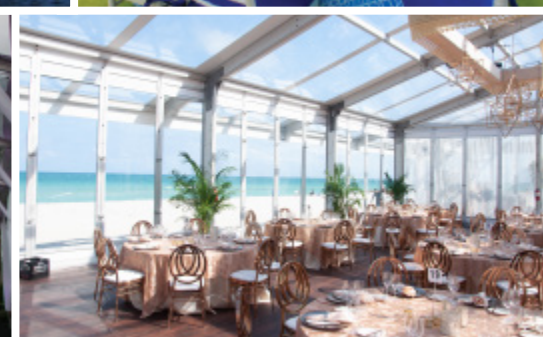

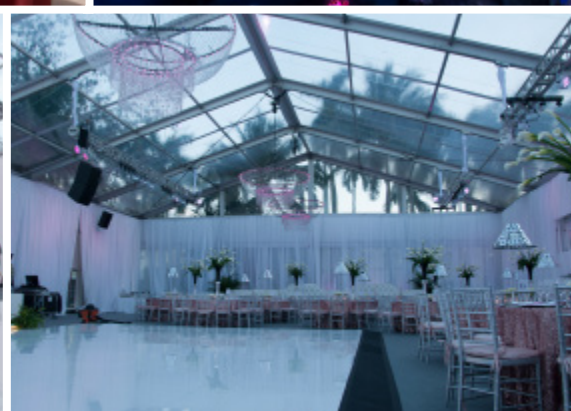

Suitable for any short or long-term tenting applications, Clear Span Structures fuse function and aesthetics for a truly unique environment that can be customized with accessories, lighting and décor to whatever your tastes may be.

# Clear Tent Structures

Our clear tents are made using the highest grade clear vinyl products available, and are cleaned and maintained to exacting quality control standards in accordance with rigorous manufacturer specifications.

Since 1996, TentLogix has built a reputation as the nation's leader in providing high-end tenting and event rental solutions. Our clear tent structures exemplify this reputation, as they provide unequalled elegance for any upscale event.

# Double Decker Structures

Commonly used for sporting and music events, double decker structures with tiered-seating provide spectators with expansive views and maximum comfort in a temporary structure.

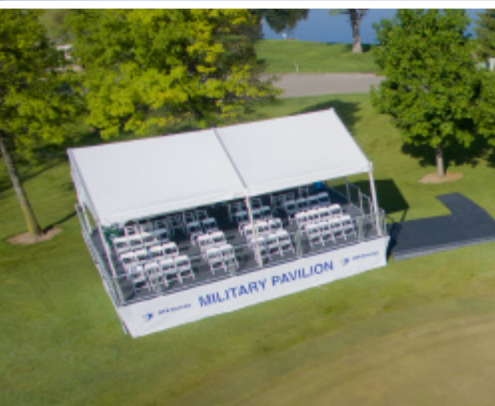

Double deckers can be installed as two-story event structures, or as a single-story structure with high ceilings and expansive overhead space. When space is limited, a double decker structure from TentLogix allows greater flexibility within a smaller footprint.

# Keder Frame Tents

Our frame tent structures allow for an elegant and completely unobstructed interior space up to 50 feet in width and unlimited in length, with optional clear and white tops, and hip-end or gable-end configurations.

Frame Structures are one of the most versatile structures on the market, able to be easily weighted and installed on grass, asphalt, rock, and concrete surfaces.

# Traditional Pole Tents

Available in 20 foot to 100 foot widths - pole tents provide an affordable, more traditional option for smaller scale tent events. Their vast interior white space requires minimal décor and provides an excellent medium for lighting.

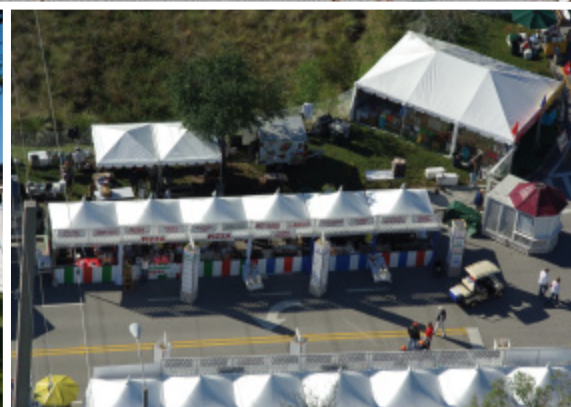

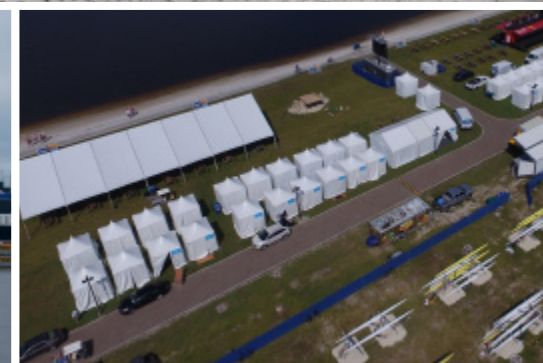

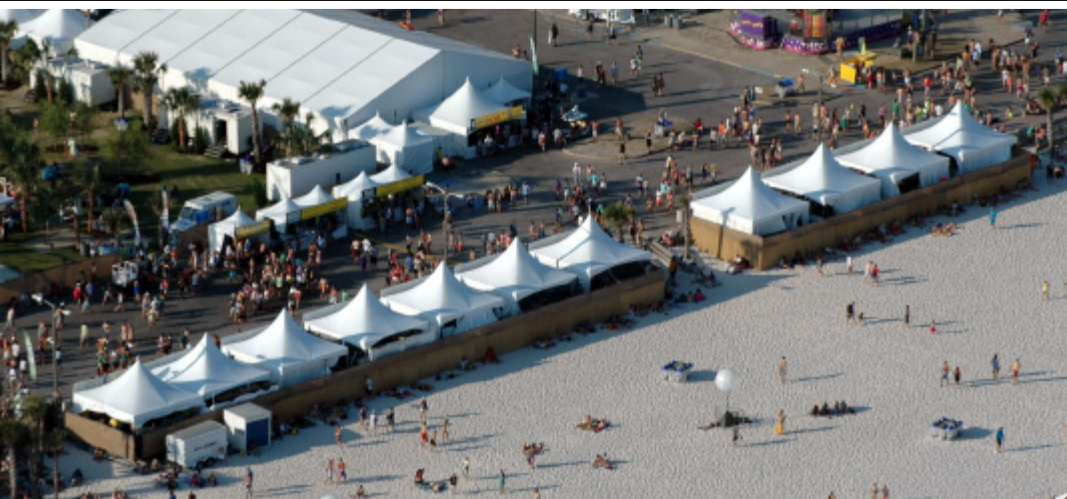

Century Tents provide smooth, flowing, and seemingly endless inner space and towering ceilings while showcasing futuristic curves and elegant twin-peaks on the outside.

# High-Peak Frame Tents

Perfect for fairs, festivals, and live events - our elegant high-peak tents make ideal entrance tents, walkways, or porte-cocheres. High Peak Frame Tents are available in 10' x 10', 15' x 15', and 20' x 20' sizes, feature only four legs, 8' or 10' eave heights, and are easily weighted.

TentLogix continues to purchase, import, design, and build original tenting solutions for discerning event professionals.

# Mono-Pitch Structures

As the nation's leading supplier of innovative event structures, you can count on TentLogix to continue introducing exciting new products year after year.

The Mono-Pitch Structure has been engineered for use as a single-story or two-story event structure and can be configured with glass walls, hard walls, integrated HVAC/Temperature Control, engineered flooring systems, ADA chair lifts, etc.

# Marquee Tents

Marquee tents can be used to connect a tent with a permanent structure as well as to cover an existing walkway – or a custom-built walkway. 9' marquee tents are available in both white and clear.

Marquee tents are available in widths of 6' and 9', and are expandable to any length in 10' increments. Marquee tents make excellent formal entrance walkways into larger tents and can be adjoined with a 45° angle tent to turn in the direction you need.

# Flooring Solutions

TentLogix maintains one of the nation's largest and most varied tent flooring system inventories, and specializes in custom flooring applications and elevated flooring systems.

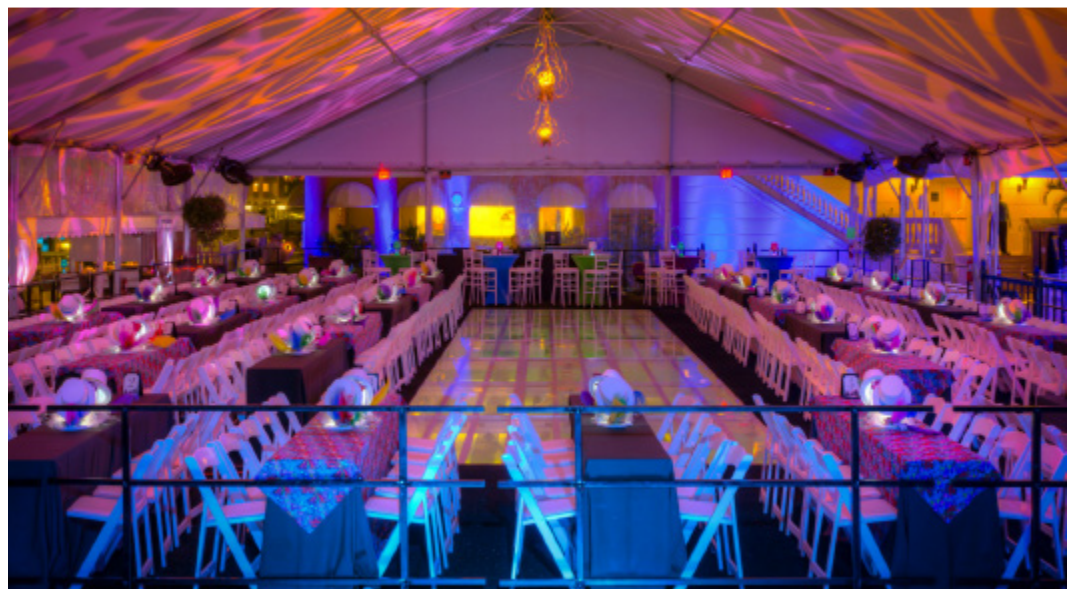

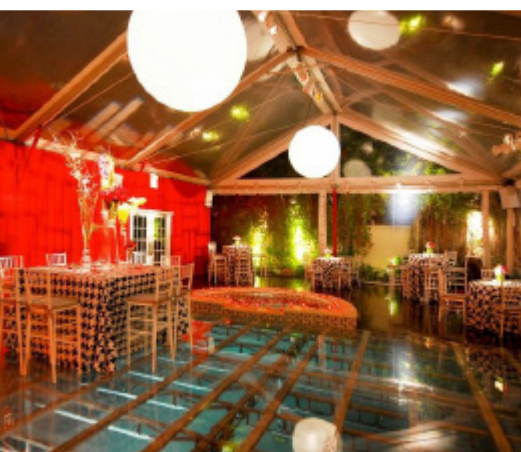

From weddings and galas to championship golf tournaments – TentLogix has the solution that will provide a flat level surface, as well as a full-time, year-round staff of experienced and well-trained flooring professionals.

# Pool Covers

Our expandable pool cover trussing system is engineered specifically to support dining, dancing, and cocktail events on top of a pool.

TentLogix offers a variety of pool cover decks to meet your theme, decor and budget – carpeted decks in your choice of color and style, high gloss decks in natural oak or mahogany, clear or frosted acrylic decks, and painted wood or vinyl decks.

# Glass & Hard Walls, Vinyl Sidewalls

TentLogix sidewalls not only create a sophisticated aesthetic and panoramic view of your structure's surroundings, they also allow for increased security, retention of climate control, and reduction of outside noise.

Available in 11' & 13' heights, TentLogix sidewalls allow for optimal control over your event's lighting, climate, and ambiance. Contact us today for more information.

# Tent Liners

Our certified flame-retardant tent liners are available in a wide variety of styles and instantly transform your event space into one of depth and texture. Tent liners effectively conceal interior framework with flowing, contoured fabric, spandex, or flat panels.

A TentLogix tent liner instantly transforms the interior of any tent from ordinary to extraordinary.

# HVAC & Climate Control

TentLogix offers a wide array of temperature control & power generation solutions, including sound attenuated diesel generators, portable HVAC units/ECUs, power distribution, fuel supply, & on-site tech support.

Our temporary cooling and heating systems, combined with the expertise of our technicians, make an ideal solution for any size event.

# Tables & Chairs

TentLogix has built a reputation as the nation's leader in providing high-end tenting and event rental solutions to the most prestigious events and clients throughout the United States and the Caribbean.

We carry a vast selection of tables and chairs to supplement your event. Our table and chair inventory is subject to rigorous quality control standards, so you can be sure you will receive only the finest products for your event.
